This award is being presented to Janet Worrall for her efforts in obtaining 100 petition signatures and causing through her efforts several letters being generated that were sent to INDOT officials to request that US 150 not be shut down for renovation. Not to install a turn lane through the entire town. That INDOT lower the speed limit and install a signal light at Cross Street, Greenville-Georgetown Road and US 150.

The Town of Greenville, businesses and this board thank you for your efforts that helped making INDOT decide not to shut the US 150 down for reconstruction.
