Town Board Member

The regular monthly meeting of the Greenville Town Board, held this date, was called to order by President H. L. Spears. Those present were Board member Ron Lamb, Gary Getrost, Max Mason, Teresa Getrost, V. J. Miller, and George Grute.

The minutes were read and approved and the financial statements presented to the Board.

Ron Lamb said he will contact Pat Houghlin about doing building inspections for the Town.

Ron Lamb reported he has someone looking for a conference table but hasn't yet located one.

George Grut from Skyline Communications came seeking approval to sell to another company - Command Cable Corporation. The new company plans to expand to Greenville (provided financing can be obtained) within a year, and will attempt to cover the Town limits. The Board signed the ordinance approving the transfer of ownership.

Gary Getrost has sent two letters to residents on Pekin Road informing them of an increase in water pressure when the connection with Tri County Water Company is opened on March 1.

There being no further business, the meeting was adjourned.

Respectfully submitted,

Elaine N. Miller
Clerk-Treasurer
