

Minutes of Greenville Town Council Meeting
August 9, 2004

Executive Meeting was called to order at 6:30 PM. Meeting with attorney Jonathon Leachman over pending lawsuit. Council President Matthews advised our attorney that he had met with Indiana American Homes Water Company and has a proposed contract to purchase additional water. The water will not be available for several months, but they are offering a contract to purchase without a maximum or minimum rate. Our attorney will review the contract. The attorney advised the council that we are still in exploratory stage and that D. Thieneman's attorney has filed a motion to compel the water utility to provide records. The next court date is September 3, 2004 at 9:00 AM.
