

TOWN OF GREENVILLE
ORDINANCE NO. 2009-R-032

**RESOLUTION CONCERNING THE PURCHASE OF PORTABLE
GENERATORS FOR EMERGENCY SERVICES WITHIN THE TOWN OF
GREENVILLE, INDIANA**

WHEREAS, the town council for the Town of Greenville, Indiana, in the interest of public health, safety and welfare, has deemed it necessary that the Town purchase portable generators for use within the Corporate Limits of the Town of Greenville only;

NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF GREENVILLE, INDIANA, AS FOLLOWS:

1. Town of Greenville Emergency Services Committee Chair shall provide {3} bids and number of generators required to serve the Town of Greenville in an Emergency situation. The Greenville Town Council through a vote in a monthly meeting shall approve or disapprove the purchase.

2. Generators are to be distributed as a last resort under the following conditions;

(A) The Town Of Greenville is completely isolated, which will prevent outside emergency services from reaching Greenville Residents that are incapacitated by the declared disaster situation.

{B} The Resident shall be incapacitated whereas they can not be moved to the Town of Greenville Emergency Shelter and without the loan of a generator loss of life would occur.

{C} Generators will be loaned on a first come first served and loss of life shall be the deciding criteria.

{D} The Town of Greenville having possession of the/or these generators does not obligate the Town of Greenville to issue such generators to residents under any circumstances.

{E} Generator[s] shall be stored at the Greenville Water Utility Garage and serviced every {6} months by starting and allowing to run for 30 minutes, electrical output to be checked by plugging a device into all receptacles to check electrical output. This service is to be directed by the Town of Greenville Emergency Service Committee Chair. Service record shall be recorded and signed by person performing service. This record is to be kept by the Greenville Town Clerk at the Greenville Town Hall. If service record is not kept the generator may not be used.
