

TOWN OF GREENVILLE
ORDINANCE NO. 2009-R-043

**RESOLUTION CONCERNING THE SURVEYING OF CROSS STREET IN
THE TOWN OF GREENVILLE, INDIANA**

WHEREAS, the town council for the Town of Greenville, Indiana, desires to widen and resurface Cross Street to address Greenville Elementary School Bus traffic, has deemed it necessary that the Town have the right-of-way width and boundary locations surveyed prior to commencement of construction;

NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF GREENVILLE, INDIANA, AS FOLLOWS:

1. This resolution authorizes the use of the funds {\$1,000 US Dollars} appropriated as Legal and Engineering listed under Local Roads and Streets for the budget year of 2009.
2. Due to the Emergency situation of completing this project prior to the 2009-2010 school year the Greenville Town Council President or his Designee is authorized to contract a Surveyor to perform this work to produce a drawing of the area and stake area for construction. An Electronic AutoCAD drawing of the survey drawing and a paper copy are to be provided to the Greenville Town Council Vice President. The Surveyor shall provide a written quote to the Greenville Town Council President or his Designee prior to start of the survey. Quote is to be given to the Greenville Town Clerk for record keeping.
3. The Greenville Town Council President or his Designee shall not be required to receive {3} bids to accomplish this survey.

ADOPTED BY THE TOWN COUNCIL OF GREENVILLE, INDIANA, ON THE 13th DAY OF JULY, 2009.

PRESIDENT OF THE TOWN
COUNCIL OF GREENVILLE,
