

Called meeting Dec. 11 - 1950

A called meeting of The Greenville Township Volunteer Fire Dept. was held at The Greenville school
Dec. 11 - 1950

Five board members and trustees were present.

All present agreed some additional hose was needed and would be purchased soon as there is enough money available.

It was discussed and all agreed we should have some cooperation or understanding with neighboring towns in case we would need them or vice-versa.

Ernest Taylor Secy.
