Town Hall

The regular monthly meeting of the Greenville Town Board was called to order by newly elected President, Ron Lamb. All board members were present. Also in attendance was Gary Getrost, Janice Gibson, Bob Isgrigg, Talbott Richardson and Paul Buche, ~~Elaine Miller~~.

The minutes of the December 8, 1987 were read and corrected to show the Edwardsville Water Co. has advised Mr. Getrost they are only contemplating raising the water rate from \$.67 to \$.92/1,000 gals., not as the minutes stated.

Claims presented to the board were approved.

Talbott Richardson requested permission to remove a curbing in front of the Clark Street property. The board approved the removal and also approved the request of Talbott for additional gravel for the parking area.

Gary Getrost stated the lake is up about 2½ feet with about 7 feet to go to be in good shape. He also stated residents on Pekin Road, currently being served by the Borden Tri-County Water Co., have complained of pressure and water odor. He stated the water quality is standard and there could be perks in the pressure.

The proposed sewer project was discussed at length; primary concern of the board being land acquisition and location of lagoons now in operation.

Mr. Isgrigg advised the board of possible land areas:

Hunt Farm, Hays Farm, Quarry, North & South of US 150, west edge of town,

and the area east of the quarry

Talbott Richardson volunteered to approach the owners of the Hunt and Hays Farm to determine their willingness to sell part of their land to the town. He also stated he would contact the proper owners of the quarry.

Ron Lamb stated he would like to have a listing of communities that have a lagoon in operation. Mr. Isgrigg advised Pekin has a lagoon type system similar to that proposed for Greenville. Also Henryville has a lagoon, but it is designed to handle solid wastes. Mr. Isgrigg stated he will check further of other areas and advise the board.

Bob Isgrigg was informed the aerial view of the area should include foremost the township area, not just Greenville, in order to determine the location of fire hydrants. He advised he would follow through with our concerns.

No further business coming before the board, Mr. Lamb asked for adjournment, made by Bob Williams and seconded by Mr. Spears.

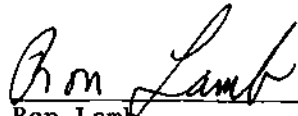

Trans In Ordinance was approved by the Board.

Respectfully submitted,

Jack Sprigler
Clerk of the Board
