The treasurer's report as of August 31, 1976, shows a checking fund balance of \$22,392.73. (General \$3,447.06, Local roads \$8,037.90, Street \$6,238.99, and CCIF \$4,668.78). The Revenue Sharing checking fund has a balance of \$3,225.45.

Janice Gibson's water utility receipts for August 1976 agree with the bank statement.

Harold Goss inquired if the Board knew of any plans in regards to the Greenville grade school corporation building a road West of the school grounds which could possibly interfere with Mr. Goss' property. The Board advised Mr. Goss they knew of no plans being made at this time of such.

The residents of the Featherngill Road area attended the meeting concerning the easements needed to extend the water line in their area. These easements have not been signed and brought before the Board. Forms are being mailed to such residents for this purpose.

Pearl Tush presented a request made through her in regard to the repair of an alley located behind the Uhl and Miller residences. Robert Gibson is to check the location to determine if such repairs are needed.

Pearl Tush agreed to contact the Circular Planning Agency concerning the premium rates for one official bond covering the marshalls and the clerk-treasurer. Marshall Tilly previously talked with this agency and was advised that one bond could be secured to cover the deputy marshalls and the clerk-treasurer, excluding Marshall Harl, in the amount of \$5,000.00 each for a total annual premium of \$80.00.

Again, a reading of the proposed ordinances was done by Robert Gibson.

The salary for Superintendent Purvis has been increased effective September 1, 1976, an amount of \$1,200.00 per year, upon advice from the Water Advisory Board. His salary will be raised an additional \$300.00 per year upon obtaining the required operator's license.
