The treasurer's report as of November 30, 1973, shows a checking fund total of \$10,303.38. Terry Boaz reported floridation of our water should start in a couple of months. All water customers and health personnel should be notified before hand.

Some work has been done on the warning flasher at the school crossing, but the flasher is still not up.

Donald Uhl will be moving from town and wishes to resign on December 31, 1973, if a suitable replacement can be found. Our wards are not presently divided equally population wise. Terry Boaz is to check to see if the ward boundaries could be changed and possibly the new member of the board would be from the new ward.

There are two places where STOP signs should be placed. One at Harrison and Greenville Georgetown Road, and the other at the alley at Tom Cundiff's Service Station.

Gary Jacobi reported that a Annual Survey of Government Employment of Muncipalities and Counties had been sent to the census bureau.

Donald Uhl moved the meeting be closed.

Respectfully submitted,
